

UPTOWNER. ARCHITECTURAL SERIES

FEATURES

- ✔ Designed for those who want a comfortable independent lifestyle.
- ✔ Ideal for a couple / executives / small family / retirees looking to gently downsize.
- ✔ Modern, inviting look with simple, pleasant geometry that suits any yard.
- ✔ High level of detailing featuring mixed materials, cathedral ceilings and plenty of windows. Adjust the level of detailing to suit your budget.
- ✔ Ideal for entertaining: open-plan living area with large stacker door that opens out a fully covered deck for a seamless indoor/outdoor transition. Consider a wraparound deck for maximum appeal.
- ✔ Ultimate privacy: central galley kitchen separates the living area from bedrooms. Each bedroom has a separate entry and an individual deck or courtyard.
- ✔ Custom-designed kitchen (made right for you) with quality oven, cooktop & rangehood.
- ✔ 2 large bedrooms (to fit queen beds) with built-in-robos that are customised to suit your needs.
- ✔ Modern Bathroom design with quality tapware & accessories, full-height wall tiling plus a frameless glass shower screen.
- ✔ Colorbond or concrete tiled roof.
- ✔ Termite-treated roof trusses & wall frames.
- ✔ Various cladding options are available including brick veneer, weatherboard / chamferboard & architectural panels.
- ✔ Quality powder-coated windows. Careful placement of windows and doors throughout ensures good natural light & cross-ventilation which are vital for a healthy home.
- ✔ Gas or electric hot water unit. Option to upgrade to solar or heat pump.
- ✔ Generous arrangement of LED-lighting + ceiling fans + power points.
- ✔ 6+ star energy efficiency. Roof & external walls are sarked & insulated to ensure great thermal performance all-year round. We insulate the Deck roofs too.
- ✔ Easily adapted for accessibility / wheelchair access.
